

GWM 100 TWIN

Floor stand
(Optional)

Standard wall mounting shown

ISTpaint's **GWM 100 TWIN** is a **compact and economical** unit designed for body shops and users who require repetitive color and coating changes to provide a quick rinse / clean solution. Its versatile **dual manual** cleaning stations allow to efficiently clean gravity fed paint spray guns as well as PPS and other disposable cup adapters.

The **GWM 100 TWIN** is a **hybrid cleaner** designed to clean both solvent-based and/or waterborne paint equipment in one simple to use system.

Increase the life span of your paint equipment of up to 75% and get ready for the next paint job in no time !
